

An aerial night-time photograph of a residential neighborhood. A pink line is drawn on the image, tracing a path through the area. The path starts at a road intersection in the lower-left, moves north, then east, then north again, and finally east towards the top of the frame. The area enclosed by this line contains several buildings and a large area of trees. A white rectangular label with the text 'AVRAM IANCU' is positioned in the center of the pink-outlined area. The surrounding area is densely packed with houses, many of which have their lights on, and several roads are visible with some traffic.
